The survey will be a very important tool for the Bible Society to determine how best to help people engage with the Bible. The survey can be accessed by clicking on to [www.communicateresearch.com/biblesurvey](http://www.communicateresearch.com/biblesurvey). A limited number of copies of the questionnaire are available from the back of Church for those who do not have internet access (if they all go more will be copied); these should be completed and returned to the box at the back of Church. Please use the internet if you can as this saves time, money and paper!
