1. We have again had numerous calls about generators and tools being offered for sale from the back of a variety of vehicles. We would advise strong caution against purchasing anything in such circumstances, as the purchaser has no come-back, should the item turn out to be faulty or stolen.
2. On Monday 18th, A farm in Barkhill Drive, Tussingham disturbed an old silver Mitsubishi 4x4 type vehicle with a 'cab÷ on the back, on farmland, in the process of removing various metal items without permission. They drove off across fields in order to escape.
3. There is an increasing incidence of rowdy behaviour in the Church Lane area of Farndon, with reports of youths throwing stones at windows and causing damage. If you witness any such behaviour, or know those responsible, please notify the police, so that the matter can be addressed before it gets out of hand.
4. A house in Gowy Road, Mickle Trafford was burgled over the last week or so whilst the occupants were away. If you saw anyone suspicious in the locality, please contact the police.
5. On Wednesday 20th, police received numerous calls in the evening about two suspicious males in the Tarvin area. Police attended and arrested both males for stealing from motor vehicles. Thanks to all those who phoned in —your calls really do make a difference!

If you have any information concerning Crime or Criminals and wish to remain totally anonymous, then you can contact Crimestoppers on 0800 555 111 or via the Crimestoppers Trust web site www.crimestoppers-uk.org.

6. Hotel car parks continue to be targeted, with offenders apparently watching people parking up and placing items in the boot. Offenders are then attacking the vehicles and making off. The advice is always, not to leave valuables in a car, but to always be mindful of anyone watching you.
7. On Thursday, a report of suspicious activity in Dobers lane, Frodsham, lead to a male being arrested for drug and driving offences.
8. On Friday evening, reports from the Primrose Lane area of Helsby lead to the arrest of a male for breaking into vehicles which were parked on peoples driveways.
9. Finally, a house in Parklands Drive, Elton was broken into overnight on Saturday, with a black Jaguar vehicle being taken from the driveway. Did you see any suspicious activity in the area?

Your calls this week have lead to some very positive results. Please, always phone the police if you see anything suspicious —do not feel that you are 'wasting our time'. Without your calls, police would have an even more difficult job!

Regards
