**Alf Croston – His Life Story- Interviewed by David Cummings**

Alf is 95yrs of age and still working in Engineering. He has led an amazing life and tells his story in an interview with David Cummings. Alf has been a member of the Local History Group since its formation in the 1970's, and with his wonderful late wife Margaret been influential in Village and Church life for over 50years.

**Wednesday 27<sup>th</sup> October 7.30pm**

**The Blitz- Alan Robinson**

Alan, one of our most popular local speakers, is one of the UK's leading experts on battles and battlefields. He brings his own perspective to one of the most historic events of WWII.

**Wednesday 24<sup>th</sup> November 7.30pm**

**Rise and Renaissance of Liverpool by Ken Pye The Story of a World Class City.**

Ken Pye is Managing Director Discover Liverpool and its City Region. He is a writer and broadcaster and is well known for promoting the city through his own research, creating films, books and DVD's. He has a passion for the city, with expert knowledge and insight. He is an excellent speaker and we are delighted to welcome him to Christleton.

**Wednesday 26<sup>th</sup> January 2022 7.30pm**

**An Engineering Career through bubbles and droplets. Richard Coackley CBE C Eng**

President in 2019 The Society of Scientific Engineers of France (GB Section). Richard lives in Littleton and has had a career in Engineering, working on projects all over the world. He brings an insight into many aspects of his working life with great humour. He is also an excellent double bass player and well known to members of the village community.

**Wednesday 23<sup>rd</sup> February 2022 7.30pm**

**Cheshire's Historic Houses by Tony Bostock BA MA JP**

Tony Bostock is a well known speaker in Cheshire giving presentations on a wide variety of topics, including local and family history, Domesday & Medieval Cheshire, Salt Making, Cheshire Churches, Genealogy & Heraldry. His topic tonight is fully illustrated.

**Wednesday 30<sup>th</sup> March 2022. 7.30pm**

**Christleton Parish during WWII David Cummings**

This evening will be an exploration of the research work done by David to bring to life the story of the Parish during 1939-46. Judy Smith will also relate her own story living and attending school in the village during that time. It is hoped that this information will result in a book similar to the Christleton- Great War Stories Book we published in 2015.
