## Monthly News Letter

January 2017

### **The Rector writes**

Dear Friends, I appreciate this news letter is a poor substitute for the monthly magazine. Please do not assume any permanency with this publication, as it is intended to be short lived and only to allow us to continue to keep everyone informed of news and service times, whilst we work to re introduce the magazine on a more cost effective footing.

It is hoped that we would have a magazine back in production by Easter 2017.

As a much reduced news letter, we will be restricted with content, however, that does not mean you should not forward details of news or information which you may consider appropriate for inclusion. We cannot of course guarantee publication of all articles.

I would like to take this opportunity to wish each of you a very Happy New Year.

I would also like to offer my sincere gratitude for the many generous donations to St James over the past few weeks. Your generosity is very much appreciated.

Malcolm

## **January 2017**

**For the months of January to March 2017 no magazine was produced, but instead a folded card news letter with limited information produced by the Rector at the time. No electronic version of this news letter is available. We've just scanned the front which can be seen on the previous page.**

**If in the future we scan all 4 pages then it will be put here.**

**Thank you.**
